Submittal of Substitute Declaration

Sir:

Attached is the Substitute Declaration and Power of Attorney referred to on page 9 of the Amendment dated April 27, 2005 responsive to the Office Action dated January 27, 2005. This Declaration is submitted in order to correct the priority information and delete the reference to U.S. Provisional Application No. 60/193,546 filed March 31, 2001, which was a typographical error.

Appl. No. 09/788,132

Submittal of Substitute Declaration dated June 30, 2005

Declaration and Power of Attorney

As the below named inventors, we hereby declare that:

Our residence, post office address and citizenship are as stated below next to our names.

We believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **SYSTEMS AND METHODS FOR AUTOMATICALLY OBTAINING LOSS MITIGATION LOAN WORKOUT DECISIONS**, which was filed as Application Serial No. 09/788,132 on February 16, 2001.

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims, as amended by an amendment, if any, specifically referred to in this oath or declaration.

We acknowledge the duty to disclose all information known to us which is material to patentability as defined in Title 37, Code of Federal Regulations, 1.56.

We hereby claim foreign priority benefits under Title 35, United States Code, 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

None.

We hereby claim the benefit under Title 35, United States Code, 119(e) of any United States provisional application(s) identified below:

None.

We hereby claim the benefit under Title 35, United States Code, 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, 112, we acknowledge the duty to disclose all information known to us to be material to patentability as defined in Title 37, Code of Federal Regulations, 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application:

None.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these
